Club Cancellation / Withdrawal Notice:

The club organizer will notify the parent of any enrolled student within 48 hours of the club start date in the event that a club is cancelled and payment will be returned. If your student chooses to withdraw from the club after attending the first day please notify the club organizer in writing and a refund will be issued. Refunds will not be issued after the second scheduled meeting, regardless of attendance.

Weekly Sessions:

Glow in the Dark Geometry: Make geometric shapes using glowsticks. Lay out the sticks to make mystical repeating patterns, and even build a gleaming Egyptian pyramid. Then flick off the lights to see it all glow!

Let's Get Loud: Build a working flute, then play instruments made of random gadgets. After all that, find out exactly how loud you are, down to the numbers!

Time of Your Life: Find out what makes you tick. Race to do crazy stunts, "be" a clock, and see if you have the winning birthday!

Toilet Paper Olympics: Bet you never knew sports and toilet paper could go together, huh? Get on a roll with your Olympian skills in the shot put, the long jump, and the relay race.

Spy Training: See if you have what it takes to be a spy, and break the codes to the clues to find the hidden treasure!

Flying Marshmallows: Send marshmallows flying through the air using popsicle sticks and rubber bands. Figure out what positions work best, then measure the flight to prove it.

Zip Line Zoo: Build a zip line for brave stuffed animals, and race them across the room. Measure the distance and time their rides to see how fast they can go!

Bouncy Dice Explosion: Your big chance to throw things because you're supposed to. Find out your chances of rolling a 2 or a 5, then try to be the winning chip on a giant human Bingo board.
