## Why Learn and Play Chess?

### Academic Benefits

I have brought chess to the schools because I believe it directly contributes to academic performance.

**Chess makes kids smarter. It does so by teaching the following skills:**

**Focusing, Visualizing, Thinking Ahead, Weighing Options, Analyzing Concretely, Thinking Abstractly, Planning and Juggling Multiple Considerations Simultaneously.**

Make the right move! Whether you are a beginner or an advanced chess player this program is for you.

Children in all grade levels K-8 are welcome to come and learn the great game of chess!

**When:** 3:40-4:40 on Mondays, October 24th to January 9th (No class 11/21, 12/26, 1/2/17)

**Pick Up Promptly:** Children will be dismissed in Comstock Parking Lot

**Where:** Prairie Crossing Charter School

**Fee:** \$108 Payable to Chess Utopia
