

Crazy 8's MATH Club For 3rd - 5th grade Boys and Girls SESSION 2-B (4 week session of Club 2)

Tuesdays 3:45-4:45 pm January 10 th - January 31st

Some student quotes from last session, "Wow, that was math?" "I don't want math club to end!" "This is so much fun!"

I anticipate the same reactions with the fun sessions we have planned!

Join Bedtime Math's Crazy 8s, where you'll build stuff, run and jump, make noise, make a mess...it's a totally new kind of math club. The fun sessions covered are: Funky Fractals, Walk on the Wild Side, Super-Cube Shuffle and Epic Air Traffic Control. All of these introduce and teach complex mathematical concepts and skills! It's so fun, you won't even know you're learning!

It is not necessary to have attended previous math club sessions to join in on this session!

Session 2- A is offered in November, feel free to sign up for the whole 8 week segment.

* Students are welcome to bring a nut free snack to each session.
