

Care Club

Tuesdays- 3:45-5:00pm!

Calling all students! Are YOU interested in volunteering? Have you ever wanted to make a difference in the community around you? Well we have got just the club for you! Join Ms. Pechter on Tuesdays if you are looking to make a difference through crafts, service projects, and even spending time with animals!

The first half of our club sessions will feature activities related to animal welfare leading up to our first service project at a local animal shelter. Activities include making craft items to be donated to the shelter, a visit from a Chicagoland Therapy Dog organization to learn about the importance of service dogs, how to interact with them when we see them in day-to-day life, and so much more. The second half of our club sessions will feature activities related to assisting in a retirement community. Students will plan for activities to complete with the residents of the community, discuss the importance of bringing light into the lives of others, and more!
