stem girls
camp

2017

This five-day summer camp includes cool, hands-on STEM activities that help campers explore a wide range of careers related to feeding, fueling, healing and saving the world!

– Girls entering 3rd-8th grades in Fall 2017 may apply by April 21, 2017 – Registration fee: \$35 –

If you have any questions, contact Monique Naleway at (312) 561-3895 or mnaleway@ibio.org

Camp made possible by generous donations from:
Abbott, Astellas USA Foundation, Horizon Pharma and VWR Charitable Foundation.
