**BASKETBALL**

This program is for 5th-8th grade basketball players (girls & boys) who reside within the Grayslake High School District 127 boundaries who want to play competitive basketball, while continuing to learn/improve skills. Teams are selected through a tryout process; this program involves a competitive level of practice and games. The season runs from November thru Mid March. Interested players must attend ONE of the tryout dates in their age group, but the Park District strongly encourages players to attend both dates.
