

## **Please join us for a PCCS/PSO day of service!**

PCCS and the PSO are joining together for a day of volunteer service, open to all families, for those of all ages.

***Saturday, September 30<sup>th</sup>, from 8-12***

This is a great opportunity for our school community to work together, for one productive morning, to beautify and improve our school environment. We are looking for help from our families, those of all ages, to volunteer time to:

- Paint a map of the United States on our playground
- Clean up our garden beds for the winter
- Mulch our garden beds
- Work on our portion of “Adopt-A-Highway”
- Other projects the school would like our help on

*Please click on the link below to sign up! See you there!*
