

Care Club

Tuesdays- 3:45-5:00pm!

Calling all students- it's back! Are YOU interested in volunteering? Have you ever wanted to make a difference in the community around you? Well we have got just the club for you! Join Mrs. McGovern and Ms. Pechter on Tuesdays if you are looking to make a difference through crafts, service projects, and even spending time with animals!

The first half of our club sessions will feature activities related to assisting in a retirement community. Students will plan for activities to complete with the residents of the community for a Valentine's Day-themed Party, discuss the importance of bringing light into the lives of others, and more! The second half of our club sessions will feature activities related to helping out an animal rehabilitation community through making fleece-tie blankets. Fellow Mortals of Lake Geneva will visit us with some animals to explain how important our help is to the injured and orphaned wildlife.
