

# Guess Who?

**National Disability Awareness Month**

**I had dyslexia.**  
Dyslexia is a learning difference that affects the way the brain processes written words.

**I am an amputee.**  
An amputee is someone who has lost a limb or part of a limb.

**I have ADHD.**  
ADHD is a neurodevelopmental disorder that affects attention and impulse control.

**I have brittle bone syndrome.**  
Brittle bone syndrome is a genetic condition that causes bones to be fragile and break easily.

**I have dyspraxia.**  
Dyspraxia is a developmental coordination disorder that affects the ability to plan and execute movements.

**Michael Phelps**  
Olympic swimmer

**Daniel Radcliffe**  
Actor

**Kid President**  
President of the United States

**Sudha Chandran**  
Lawyer

**Albert Einstein**  
Physicist

*Note: Lines connect the descriptions to the individuals: Michael Phelps (dyslexia), Daniel Radcliffe (amputee), Kid President (ADHD), Sudha Chandran (brittle bone syndrome), and Albert Einstein (dyspraxia).*
