

*Week of 9/10*

Words of the Week:  
**Analyze, peer, entire,**  
**because, describe**

Spelling: Words their way +  
Words of the week

Reading: Different types of  
nonfiction and identifying  
character traits

Writing: Developing  
characters for our realistic  
fiction narratives

*Important dates*

**9/11/18**  
**Curriculum Night**  
**6-7pm**

**9/12/18**  
**Farm to Table**

**9/13/18**  
**Hard Lockdown Drill**

S/SS: Learning about  
wetlands and woodlands.  
Finishing our prairie mural

**Math:**

This week in math we will be identifying patterns in our “number corner.” We will also continue to use the dimensions of arrays to find factor pairs as we explore more about prime vs. composite. We will also be talking about strategies for our 8 and 9 facts for multiplication! The students will be introduced to their first “workplace stations” where they will play each other in some friendly math competition.
