Dear Mr. Richmond and Mr. Deigan:

On May 19, 2014, the Illinois State Board of Education ("ISBE") received documents related to the charter school renewal agreement ("Agreement") and proposal (collectively the "Renewal Agreement") for Prairie Crossing Charter School ("PCCS" or the "Charter School") from the Illinois State Charter School Commission (the "Commission"). In response to ISBE's requests for additional information and clarification, the parties provided additional information on May 21, 2014 (ISBE financial form; assurances regarding public meeting notices; certification of compliance with the Charter Schools Law); June 10, 2014 (completed ISBE form 34-50B regarding the Charter School's plan for the implementation of special education services); June 17, 2014 (evidence of good standing with the Illinois Secretary of State's Office); June 23, 2014 (Charter School's professional development plan); June 25, 2014 (corrected ISBE form 34-50B); and July 7, 2014 (executed contract amendment regarding how the parties will address minor violations of the Renewal Agreement).

ISBE's rules on charter schools provide:

...[t]he State Superintendent shall review each report of an approved application, revision or renewal to determine whether the statutory requirements have been followed and the proposed contractual agreement is complete and compliant with the provisions of Article 27A of the School Code [the Charter Schools Law]. [23 IL Adm. Code 650.40(a)]

The rules further provide:

...[i]f a report is incomplete or a proposed contractual agreement fails to comply with any applicable law, the State Superintendent shall so notify each submitting school board or the Commission, as applicable, and the applicant or charter holder, identifying the areas of

ISBE staff members have reviewed the Renewal Agreement and its components, as well as additional documents received on May 21, 2014; June 10, 2014; June 17, 2014; June 23, 2014; June 25, 2014; and July 7, 2014. The correspondence received addresses all points of clarification, and these materials shall become part of the charter school agreement.

The State Board hereby certifies the Charter School for the term of July 1, 2014, through June 30, 2019. An official certificate is enclosed with this letter. Because it went through multiple iterations, the Charter School's approved plan for the implementation of special education services is also enclosed for your records.

If you need additional information, please feel free to contact Jennifer Saba, Assistant General Counsel in the Office of the General Counsel, at 312-814-2223. Thank you for your continuing commitment to high-quality educational opportunities in Illinois.

The current version of the Accountability Plan is attached hereto as part of Exhibit G. The Commission shall provide written notice to the Charter School indicating whether, and upon what conditions, it is willing to renew the charter of the Charter School, including any modified terms proposed by the Commission. If there is no agreement on the terms of renewal, the parties shall then fulfill their mutual obligations hereunder to the end of the Term of this Agreement. The Commission may refuse to renew the Agreement upon a finding that any cause for revocation exists under Section 12 hereof.

13. Revocation of Charter.

The Commission may revoke this Agreement and the charter of the Charter School, in accordance with Section 27A-9 of the Charter Schools Law, if the Commission clearly demonstrates that the Charter School did any of the following, or otherwise failed to comply with the requirements of the Charter Schools Law:

- a. Committed a material violation of any of the conditions, standards, or procedures set forth in this Agreement including the Accountability Plan; or
- b. Failed to meet or make reasonable progress toward achievement of the content standards or pupil performance standards identified in this Agreement or in the Accountability Plan; or
- c. Failed to meet generally accepted standards of fiscal management; or
- d. Materially violated any provision of law from which the Charter School was not exempted.

In addition, the charter of the Charter School may be revoked in the event that the parties agree to terminate this Agreement by mutual consent pursuant to Section 22 of this Agreement.

In the event that the Commission proposes to revoke this Agreement and the charter of the Charter School, the Commission shall provide the Charter School with written notice setting forth in detail the grounds for such revocation at least 14 days prior to the date the Commission will take final action on such revocation.

14. Indemnification.

a. To the fullest extent permitted by law, the Charter School shall indemnify, defend, and hold harmless the State Board and Commission, its members, officers, employees, agents, affiliates and representatives, past and present (collectively, the "State Board Indemnitees" and the "Commission Indemnitees"), from and against any and all liabilities, losses, penalties, damages and expenses, including costs and attorney fees, arising out of all claims, liens, demands, suits, liabilities, injuries (personal or bodily), of every kind, nature and character arising or resulting from or occasioned by or in connection with (i) the possession, occupancy or use of the property of the Charter School, its faculty, students, patrons, employees, guests, or agents, (ii) any act or omission to act, whether negligent, willful, wrongful or otherwise by the Charter School, its faculty, students, patrons, employees, guests, or agents, (iii) a violation of any law, statute, code, ordinance or regulation to the extent applicable to Illinois public schools by the Charter School, its faculty, students, patrons, employees, sub-contractors, guests or agents, and/or any breach, defaults, violation or nonperformance by the Charter School of any term, covenant, condition, duty or obligation provided in this Agreement including but not limited to the Accountability Plan (subparagraphs (i) – (iii) collectively, the Covered Losses). This indemnification shall not apply to the extent that any Covered Loss results from the negligence, willful or wrongful act or omission of any State Board Indemnitees or the Commission Indemnitees or from any act or omission of the Charter School required by law or this Agreement.

b. This indemnification, defense and hold harmless obligation shall survive the termination of this Agreement. Any indemnified party shall have the right, at its own expense, to participate in the defense of any suit, without relieving the indemnifying party of any of its obligations hereunder.

15. Disclaimer of Liability.

The parties expressly acknowledge that the Charter School is not operating as the agent, or under the direction and control, of the State Board or Commission except as required by law or this Agreement, and that the State Board or Commission assumes no liability for any loss or injury resulting from: (1) the acts and omissions of the Charter School, its directors, trustees, agents, subcontractors or employees; (2) the use and occupancy of the building or buildings occupied by the Charter School, or any matter in connection with the condition of such building or buildings; or (3) any debt or contractual obligation incurred by the Charter School. The Charter School acknowledges that it is without authority to, and will not, extend the faith and credit of the State Board or Commission to any third party.

16. Governing Law.

This Agreement shall be governed by, subject to and construed under the laws of the State of Illinois

without regard to its conflicts of laws provisions.

17. Waiver.

No waiver of any breach of this Agreement shall be held as a waiver of any other or subsequent breach.

18. Counterparts; Signature by Facsimile.

This Agreement may be signed in counterparts, which shall together constitute the original Agreement. Signatures received by facsimile by either of the parties shall have the same effect as original signatures.

19. Terms and Conditions of the Renewal

The parties hereto expressly agree that the Renewal Application sets forth the overall goals, standards and general operational policies of the Charter School, and that the Renewal Application is not a complete statement of each detail of the Charter School's operation. To the extent that the Charter School desires to implement specific policies, procedures or other specific terms of operation that supplement or otherwise differ from those set forth in the Renewal Application, the Charter School shall be permitted to implement such policies, procedures, and specific terms of operation, provided that such policies, procedures and terms of operation are consistent with the goals, standards and general operational policies set forth in the Renewal Application, this Agreement, and the Charter Schools Law.

20. Amendments.

This Agreement may be amended only by written consent of the parties hereto and, in the case of material amendments, only after submission of such amendments to, and approval by, the Commission and, in the case of revisions meeting the standard of materiality under the relevant provisions of the Illinois Administrative Code, certification by the State Board in accordance with Section 27A-6(e) of the Charter Schools Law.

21. Assignment.

This Agreement may not be assigned or delegated by the Charter School under any circumstances, it being expressly understood that the charter granted hereby runs solely and exclusively to the Charter School.

22. Termination.

This Agreement may be terminated prior to its expiration by (a) the mutual consent of the parties or

(b) revocation of the charter of the Charter School pursuant to Section 12 hereof. Termination of this Agreement for any reason shall serve to immediately revoke the charter granted hereby.

23. Notices.

Any notice, demand or request from one party to any other party or parties hereunder shall be deemed to have been sufficiently given or served for all purposes if, and as of the date, it is delivered by hand, overnight courier, facsimile (with confirmation) or within three (3) business days of being sent by registered or certified mail, postage prepaid, to the parties at the following addresses:

24. Superseder.

This Agreement supersedes and replaces any and all prior agreements and understandings between the Commission and the Charter School. To the extent that any conflict or incompatibility exists between the Application as incorporated herein and the other terms of this Agreement, such other terms of this Agreement shall control. Notwithstanding anything in this Agreement to the contrary, the Charter School does not consent to comply with any laws, regulations, or policies from which it is exempted under the Charter Schools Law.

25. Delegation.

The parties agree and acknowledge that the functions and powers of the Commission may be exercised by the Executive Director, provided that any ultimate decision regarding renewal, non-renewal or revocation of this Agreement may be made only by the Commission. The parties also acknowledge that the functions and powers of the State Board may be, in some instances, exercised by the State Superintendent, if authorized by law.

26. Prior Actions.

It is expressly agreed and understood that as a condition precedent to this Agreement becoming effective on the effective date hereof, the Charter School shall have taken, completed, and satisfied on or before the date specified herein any action or obligation which is required to be completed before such effective date, and that failure to do so shall constitute grounds for the Commission to declare this Agreement null and void.

27. Construction.

This Agreement shall be construed fairly as to both parties and not in favor of or against either party, regardless of which party prepared the Agreement.
