I understand that as a member of the Board of Directors of the Prairie Crossing Charter School, I will have/have had access to and, from time to time, make decisions based on information that is required by law to be maintained as confidential. In addition, I will have/have had access to information that although not protected by law, must be kept confidential to protect individuals or the School.

I agree to maintain the confidentiality of all information gained in the course of my Board service, except that which is gained by me or discussed by the Board as a whole in a public meeting. I agree that if I have any question as to whether a given piece of information is confidential, I will contact the President of the Board, who will make a determination on that point.

Finally, I understand and agree that the confidentiality obligations inherent in Board membership continue indefinitely after my term of membership ends.
