

Board of Director's Policy Instruction 600 Series

Policy # 600.10

Class Size Policy

Class Size

Small class size is critical to the mission of Prairie Crossing Charter School to foster student-directed, experiential, and inquiry-based learning. Establishing a predictable, maximum class size is important for planning and budgeting purposes. Total enrollment will contain a maximum number of students as described in the School's chartering contract. The Board will approve final recommendations to the class size annually in conjunction with the approval of the School budget.

Adoption Dates:

Adopted: March 2004

Amended and adopted: April 2010

Revised and Adopted: February 2015
