

Dear PCCS Families,

We are pleased to announce that Ed Jamison has been elected by parent vote to serve a second term on the Board. Nick Kotzamanis and Sue Ross have also been appointed to serve a second term and Abe Janis has been appointed for his first term on the Board. Board service is an extremely important component in providing and ensuring strong governance for the school and we appreciate their willingness to support PCCS in this way.

We congratulate these members and thank them for their commitment to PCCS. They will join existing board members Jeff Barhorst, Marcelo Chiodi, Brian Conlon, Sean Daw, Dan Fedor, and Angela Lewis on the Board at our Annual Meeting which will take place on Tuesday, October 25th. Please join them on October 25th!

Interested in learning more about supporting PCCS? Serving on a Board Committee is a wonderful introduction to the different facets of governance at PCCS. Consider serving on the Academic Excellence, Development, Election, Finance, or Governance committees! Contact the **Board** to learn more.
