

# Back to School School Supply Lists

**No time to shop for back to school supplies? Would you like to simplify the supply search?**

To help, the PSO has created shopping lists with Office Depot. Our school will earn points (5% back to our school: school ID: 70032607), and you will benefit from great prices! Please note that not all the items from the teachers' lists are present. Also look for added notes on the lists...

PCCS will be doing another **school supply drive for families in need** in our Townships. Our Warren and Fremont communities need our support!

Please consider picking up some extras when you go school supply shopping and donate to this worthy cause! **Thank you!**
