drives for troops

10/31: Halloween parade 1:45pm,  
party @ 2:15

11/2: Early Release

*Reading*

This week in reading we are working on allusions within greek myths. Later in the week we will begin our first class novel!

SS

This week we continue our look at Illinois history. We will be going over the differences between artifacts and primary sources. We are asking historical questions and seeking answers from historical sources

*Writing*

We finished with paragraph structure last week, and we are now developing our characters for our narratives. Students will expand on their narrative storylines and work through the drafting and editing process.

**Math**

We have been working on multiplication utilizing arrays and finding shortcuts when multiplying by hundreds and thousands. We are now going to be making connections and finding new strategies using ratio tables. We also continue to find ways to approach multi step multiplication problems.
