

Week of 1/21

Words of the Week  
Thousand, soil, peace,  
difference, interest

Important Dates:

1/22: Spelling Bee

1/22-1/25: Peace/school  
choice week  
(Daily themes in assignment  
notebook and on class  
webpage)

1/23: Early release

Reading:

We are finishing our reading testing this week and continuing our focus on Main Idea and Detail, followed by cause and effect.

Writing:

Your student has chosen their persuasive writing topic and we have started the drafting process! Their informative papers from the previous unit will be shared with you during student lead conferences.

S/SS:

This week we will begin with learning more about the French and Indian war, and then we will put a pause on our Social Studies unit to dive into rocks, soil, and landforms.

## MATH

In math we are continuing with subtraction and exploring place value, along with strategies to work with thousands, ten thousands, and hundred thousands. Students are then moving into concepts that include liquid volume, mass, and data range. Please continue to have your student use IXL at home on days where there is no home connection.
