

Science Club

PCCS Students in 2nd - 4th grade

Tuesday's 3:45 - 5:00 (Room 20)

6 Week Session (April 2 - May 7)

Chemistry, biology, zoology, entomology, robotics, engineering...all fun types of science. If you are interested in science please join us for the PCCS Science Club. Each week we will do an experiment, build something, or go exploring. We won't do anything dangerous, so don't worry. But we will have a lot of fun! We may also do some craft projects or watch some short videos from YouTube.

A couple of things we may do is: egg drops, build a little coloring robot, and collect insects.

Parents: Anyone who works in a scientific field and could do a demonstration for the club, please get in touch so we can schedule it. I'm sure the students would love it.

Please Note: This session is only 6 weeks long.

Teacher: Tammy Steinbeck

Place: Comstock Building

Fee: \$72.00 per session

Minimum/Maximum 5/20

My child _____ may attend PCCS Science Club

Grade _____ Teacher _____

Parent contact Home # _____

Club Cancellation/Withdrawal Procedures: The club organizer will notify the parent of any enrolled student within 48 hours of the club start date in the event that a club is cancelled and payment will be returned. If your student chooses to withdraw from the club after attending the first day, please notify the club organizer in writing and a refund will be issued. Refunds will not be given after the second scheduled meeting, regardless of attendance.
