Highlights of the Week:

Welcome Back Edition

Community Circle: At the beginning and end of the day, we gather together to practice Calm Classroom, greet each other, share about our goals for the day, and reflect upon what we are grateful for that school day. It has been a great way to get to know our classmates.

Daily 5: The class learned the first session of Daily 5, which is Read to Self. The class practiced building stamina and the expectations of Read to Self.

Writing: Everyone wrote and shared about what they did over summer break.

Math: The students were introduced to Number Corner and learned how we will keep track the days in school. We also explored the different math workplaces and took an assessment.

Environmental Education: We had our first Solo Spot of the year with Ms. Naomi.

Lunch & Snack

We have a variety of food allergies present in our classroom. We will be following procedures to ensure the safety of students in our classroom. We ask that you please follow the school allergen procedure so we can ensure the safety of all students during snack, lunch, and classroom celebrations.

Thank you for helping us keep everyone safe! We are looking forward to a wonderful year with your child! 😊
