

MRS. JEFFERY'S NEWSLETTER

September 6, 2019

Class Highlights:

Theme—the students were very excited to start our Theme Unit! We are working on creating maps of the classrooms. Students have had the chance to view other maps, and even use a map with Ms. Naomi. They will then put these skills to use to make a classroom map.

Writing—Students have continued to work on their small moment stories. We reviewed what a writer does: use capitals, punctuation, and spaces in their sentences. Mr. Freeman and I have met with each of the students to help them with their first book. Students have also learned to look closely at their pictures. What can they add to their picture?

Daily 5— Students have worked up to 4 different choices this week—Read to Self, Work on Writing, Read to Someone, and Work with Words. Students are using sight words to complete Work with Words. Sight words were posted on Seesaw.
