

Crazy 8's MATH Club Fall Session 1A For 3rd - 5th grade Boys and Girls

Mondays 3:45--4:45 pm October 21- November 11th

Some quotes from students in previous sessions, "Wow, that was math?" "I don't want math club to end!" "This is so much fun!"

Join Bedtime Math's Crazy 8s, where you'll build stuff, run and jump, make music, make a mess...it's a totally new kind of math club. You'll get to do mischief-making activities all while learning mathematical concepts and skills. It's so fun, you won't even know you're learning!

These lessons are made for grades 3-5, and are completely different from Mrs. Barnett's Crazy Eights math club. This is a 4 week session. You can take this along with session 1b (winter) to complete 8 weeks of fun and crazy math, or you can choose to take either session on its own. The lessons in this session are: Glow in the Dark Geometry, Let's Get Loud, Time of Your Life and Toilet Paper Olympics.

* Students are welcome to bring a nut free snack to each session.

Teacher: Mrs. Larson Room 18 slarson@pccharterschool.org

Fee: \$40.00 per 4 week session Minimum 10 students- Maximum 16 students
