We will once again be doing the SeaPerch program for the Robotics Club! What is SeaPerch?

SeaPerch is...

- A hands-on educational tool
- Fun and challenging
- A curriculum that meets national learning standards
- Integrates STEM (Science, Technology, Engineering, Mathematics)
- Builds teamwork and inspires young minds
- Introduces STEM career discussions

We will hold an **informational meeting on October 1 at 4:30 for parents/students** (we will meet with students after school, but wanted to give parents a chance to get to PCCS). Please attend so that we can describe the program, discuss our rules of the club, discuss late pick-up policy, and most importantly, sign-up volunteers to come and help us out during regular club meetings.
