Toastmasters International Youth Leadership Program is a workshop consisting of eight : two-hour sessions that enable young people to develop their communication and leadership skills through practical experience. This program is available to PCCS 6th, 7th and 8th graders. There is a cap of how many students can participate. In the workshop, young people learn valuable skills including:

- Evaluating their own speaking ability
- Preparing and giving speeches
- Giving impromptu talks
- Controlling their voice, vocabulary and gestures
- Giving constructive feedback and more

Participants in the Youth Leadership Program will be sponsored by Look Who's Talking Toastmasters Club in Gurnee. Each participant is given a workbook and will receive a completion certificate. The workshops are structured for small group learning and are limited in size. Meetings generally follow a format similar to that of a Toastmasters club meeting, with an announced agenda that includes practice in parliamentary procedure, prepared and impromptu speeches and the selection of presiding officers. Students can expect to speak and present during the meeting and will have minimal outside preparation.

There is no fee but you are asked to help with a group snack, prompt pick-up and your student's commitment to attend and participate in all 8 sessions.
