In The Spotlight

* Students worked together during our cider sales. They were kind, respectful, safe, and responsible. I am proud of their teamwork. Our class repaid our cider "loan" and had a profit of \$114.80.

Assignment Notebooks

* Please sign your students assignment notebooks each night and help them remember to bring them back to school. We fill these out at the end of each day. Thank you for your help!

Dates to Remember

- * Wednesday 10/23 Early Release
- * Friday 10/25 Pizza Friday
- * Wednesday 10/30 Farm to Table
- * Thursday 10/31 Halloween Party 2:15-3:15

Our Learning

4th Grade Math: Students will take their Unit 2 Assessment on Monday 10/21. Study guides came home on Friday. We will then begin Unit 3, which will continue multiplication and division strategies, and add fractions. Our first module will cover equivalent fractions.

Reading: Third graders continue to read the novel, *The Chocolate Touch* and fourth graders *The Underworlds* in class. Students also complete corresponding comprehension questions for each chapter.

Science/Social Studies: Students are working in small groups on a "light maze" project. Each group has to reflect light with a flashlight throughout their maze design using 6 mirrors. We have very creative designs being implemented! Then, we will learn about light in relationship to the human eye.

Writing: Students continue to work on their personal narratives and handwriting skills. We begin peer editing this week. Students are also creating realistic fiction stories using a character they developed.
