## Highlights of the Week:

**Daily 5:** The students learned how to use Seesaw to take pictures of their work and record videos for their stories. We also practiced our Spelling sorts by playing Memory with a partner.

**Writing:** This week, the class learned how to bring their writing to life and add emotions to their characters in drawings.

**Math:** The 1<sup>st</sup> graders played How Many Coins You Need to Win versus the teachers. We learned how much a penny, nickel, and dime are worth. We also used our Sea Star Quilt to count by 5s. We also learned Drop the Beans to practice adding equations with the answers 7, 8, 9, and 10.

**Theme:** We started discussing what is a natural resource and what the importance of them is. We also continued to observe our Brassicas and labeled each part.

**Environmental Education:** We explored the wetland, prairie, and woodland with Ms. Naomi. We identified different plants and animals in their natural communities and what roles they played in their habitat.

## Halloween Costumes

Must follow these guidelines:

- No excessive violence depicted by the costume
- No face masks or hoods which render students unrecognizable
- No "Creepy Clown" masks or "Creepy Clown" face paint
- No Weapons of any kind, real or toy.
