

Ms. Mui's Classroom Newsletter

October 4, 2019

Highlights of the Week:

Daily 5: The class was introduced to the last session of Daily 5 – Listen to Reading!

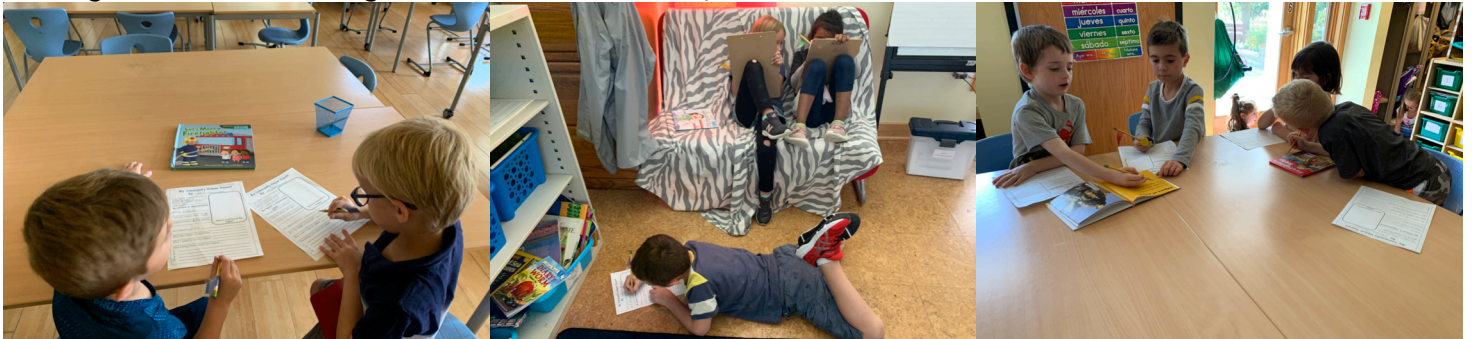

Writing: The 1st and 2nd graders visited LEARN Charter School and interviewed their 2nd graders about their school. We compared and contrasted PCCS to LEARN.

Math: This week, we continued practicing using dominoes to help us count and add. We also learned about fact families! We made Double-Flap cards to help us practice addition and subtraction equations.

Theme: The class planted Brassicas and discussed parts of a plant. We will observe our plants and continue with our mealworms, which have started to change into pupas!

Environmental Education: On Monday, we got a chance to harvest carrots with Ms. Naomi! We also went on a Bug Sweep to tally up how many insects we found in the prairie.

Book Buddies: We also started Book Buddies this week with Mrs. Neil's 5th graders! Everyone had a great time meeting his or her new buddy.
