

Ms. Mui's Classroom Newsletter

October 11, 2019

Highlights of the Week:

Daily 5: The students started reading groups with Ms. Bonicontró and Ms. Mui. The class also practiced Listen to Reading with Raz Kids and books on CD.

Writing: The 1st graders practiced the revision process. The students paired up to read their Small Moment Story and questioned their partner to encourage more details.

Math: This week, the students created Double-Flap Number cards to help practice Fact Families. Lastly, the students learned a new workplace called Doubles to practice doubling numbers for addition.

Theme: We observed our Brassicas and most of the plants grew taller with many leaves. We also had our first pupa change into a Beetle!

Environmental Education: The students listed and drew various signs of fall around their Solo Spot. It felt more like summer than Fall that afternoon.

PBIS: Mrs. Meyer came in to share with our class about our feelings and how to express them appropriately.
