

Ms. Mui's Classroom Newsletter

October 18, 2019

Highlights of the Week:

Daily 5: The class continued to build stamina in each session. We also read different versions of *The Three Little Pigs* and discussed the similarities and differences.

Writing: The class started writing Happy Notes to friends, family, and teachers to spread kindness. We also continued our Small Moment Stories and reviewing what we need to include, making it stronger and more interesting.

Math: The 1st graders learned two new workplaces: Spin and Add then Spin and Subtract. We also ended the week learning about Sea Stars and practiced counting by 5s.

Theme: The students continued to observe their Brassicas and mealworms. Even though it has only been a week, there have been several changes!

Environmental Education: This week Solo Spots were a bit windier and gloomier. The students compared and contrasted their Solo Spot to their classroom table seat. We also explored the Prairie and Wetland and compared and contrasted components within each natural community.
