

## **Crazy 8's MATH Club Winter Session 1b For 3rd - 5th grade Boys and Girls**

**Mondays 3:45--4:45 pm January 13th- February 10th (no session Jan. 20th- off school)**

**Some quotes from students in previous sessions, "Wow, that was math?" "I don't want math club to end!" "This is so much fun!"**

**Join Bedtime Math's Crazy 8s, where you'll build stuff, run and jump, make music, make a mess...it's a totally new kind of math club. You'll get to do mischief-making activities all while learning mathematical concepts and skills. It's so fun, you won't even know you're learning!**

**These lessons are made for grades 3-5, and are completely different from Mrs. Barnett's Crazy Eights math club. This is a 4 week session. You can take this in addition to the fall session 1a to complete 8 weeks of fun and crazy math, or you can choose to take this session on its own. The lessons in this session are: Spy Training, Flying Marshmallows, Zipline Zoo and Bouncy Dice Explosion.**

\* Students are welcome to bring a nut free snack to each session.
