

# Ms. Mui's Classroom Newsletter

November 1, 2019

## Highlights of the Week:

**Daily 5:** The students started to record their spelling sorts on Seesaw.

**Writing:** This week, the class studied George McClements' writing style, which includes pop-out words, bold print, all-caps, and ellipses. The class practiced including some of these in their Small Moments story.

**Math:** The 1<sup>st</sup> graders learned several new Workplaces to practice making sums and making doubles plus or minus one. We also identified numbers that were even and odd.

**Theme:** We continued to discuss natural resources and how different classroom items are made out of them. After identifying what the items were made out of, the students shared if the natural resource is local or distant.

**Environmental Education:** The students collected Maple leaves for our garden bed clean up. Everyone was ecstatic about collecting many bags filled with leaves!

**Book Buddies:** We played Halloween Bingo with our buddies!

## Halloween

Thank you everyone who made it possible for our 1<sup>st</sup> graders to have a WONDERFUL time at the Halloween Party! Everyone was so excited for all of you to join us. Thank you again for the volunteers, treats, and games! 😊

## Snow

Since snow decided to come early, please continue to send your child with a coat, hat, gloves, snowpants, and boots.
