## Highlights of the Week:

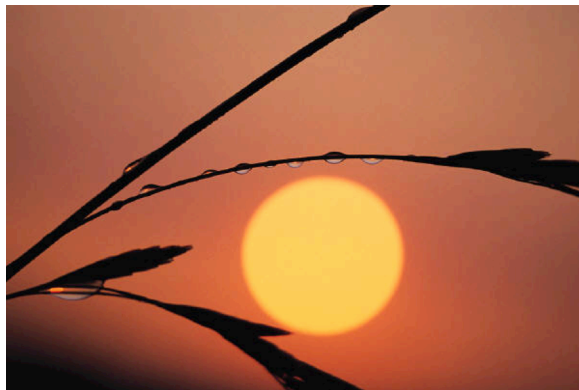

**Daily 5:** We continued meeting in reading groups and spelling groups. The students received a new sort.

**Writing:** The class focused on writing their final copy of their Small Moment Story. Everyone is so excited to finish the narratives!

**Math:** This week, the students worked with addition and subtraction equations to make ten. We also practiced subitizing numbers to 10 and different strategies to solve story problems.

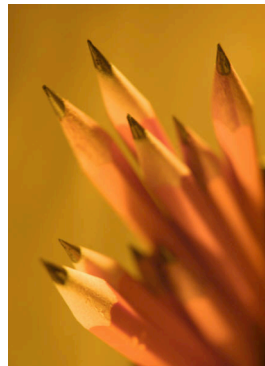

**Theme:** The class started a new lesson on Change Over Time at Prairie Crossing. The students observed different aerial views of PCCS from 1999-2008. We also discussed how population has changed within the community.

**PBIS:** This week Mrs. Gernady came in to read and share about how we handle our emotions in different situations.

## Sight Words

Please continue to practice spelling, saying, and reading Trimester 1's sight words. All the words have been posted on the previous newsletters.
