December 6, 2019

Highlights of the Week:

Daily 5: The class received new spelling sorts and sight words! The students continued to practice Heggerty.

Writing: The students began to write their Non-Fiction teaching books. The students used the 5W's and 1H to help add details to their writing. We also discussed how to use pictures and diagrams to add in the teaching books.

Math: The 1st graders practiced counting and writing by 5's. We also created a human number line from 0 to 20. We also worked with a number line to demonstrate addition and subtraction equations. The students also counted forwards and backwards using a number line.

Theme: We started a new topic of economics! We have been brainstorming ideas for the beans we harvested and discussed the definitions of consumer and producer. The class also read an informational book on how to make jam to identify producers and consumers.
