## Highlights of the Week:

*Wonderful job at the Winter Sing 1<sup>st</sup> graders! I am so proud of all of you! Have a spectacular, relaxing, and restful break! I will see you all next year in 2020! Thank you parents and volunteers for helping our classroom throughout the year and making our holiday party so much fun! Ms. Bonicontrò and I want to say thank you for all the generous gifts!*

**Daily 5:** Students continued to build stamina and worked on a How To Build a Snowman prompt, IXL, and Seesaw.

**Writing:** The students continued working on their Non-Fiction teaching books. This week, the class met with a partner, read the book, asked questions, and began editing.

**Math:** This week was filled with many frog-jumping activities by 5s and 10s. We also practiced counting by 10s from a number not ending in 0. The class ended the week doing a checkpoint assessment and worked on Winter Fun packets to practice addition, subtraction, counting and other math facts.

**Theme:** As we continued to study Economics, the students brainstormed ways to make money. The class brainstormed a list of chores and ideas such as a lemonade stand to make money.

**Environmental Education:** The 3<sup>rd</sup> graders from the Green Team shared with us about ways to keep our water clean and safe for plants, animals, and our environment.

**Book Buddies:** Our last Book Buddies of 2019 was filled with holiday mad libs! We had so much fun creating silly stories.
