

Ms. Mui's Classroom Newsletter

January 17, 2020

Highlights of the Week:

Daily 5: The students worked with a partner to practice their spelling sort and practiced writing complete sentences with their words or pictures. We also celebrated Favorite Book Day and shared our favorite parts with a partner.

Writing: The class continued to work on their teaching books, but focused on introductions and conclusions. We also took a break later in the week to work on a "How To" writing piece.

Math: Shapes! Our week was filled with learning about different 2D shapes and what its attributes are. We also sorted shape cards based on its attributes and learned two new workplaces to help us identify our shapes.

Theme: We discussed this week about spending and saving money. We read *The Bernstein Bears Trouble with Money* and discussed how the bears handled their money.

Environmental Education: The 1st graders went on a Nature Walk to look for animal tracks and to observe if any animals were roaming around PCCS.
