## Highlights of the Week:

**Daily 5:** This week we celebrated and discussed about Martin Luther King Jr. and his famous speech!

**Writing:** We worked on reading our teaching books to a partner to see if our facts are clear. The students also worked on writing an introduction and conclusion.

**Math:** The class focused on three-dimensional shapes around the classroom. We also went on a Shape Walk outside to search for 3D shapes in nature!

**Theme:** The 1<sup>st</sup> graders designed posters to advertise selling Black Bean Soup in a Jar. We discussed the important components needed to have on an advertisement poster. The students worked individually then worked in small groups to design a poster.

**Kid's Heart Challenge Assembly:** The students kicked off the week with a Red Out! If your child is interested in participating, please sign-up online.

**PBIS:** Mrs. Gernady came in and discussed with our class about using safe language at school.
