## Highlights of the Week:

The students celebrated their 100<sup>th</sup> Day of School! Woohoo!

**Daily 5:** The students practiced rhyming words and finding blends in Heggerty. We read also different books celebrating peace and raising awareness to CARES Week!

**Writing:** This week, the 1<sup>st</sup> graders wrote stories about what would you do when you are 100 years old and what would you do with a \$100? We also used pictures for our teaching books.

**Math:** The class wrapped up 2D and 3D shapes and moved onto fractions! We studied halves and fourths using squares and circles. We also practiced counting to 100 for the 100<sup>th</sup> Day!

**Theme:** Due to CARES week, we focused heavily on each word for CARES. However, we were able to hang up our Black Bean Soup in a Jar posters and advertise around PCCS. Since we focused on CARES, ask your child what each letter stands for. 😊

**Environmental Education:** This week, the class had their first snowy Solo Spots! They were excited to be outside and journal about what peace means to them in nature.

**PBIS:** Mrs. Gernady came in and shared with us about the ABC's of our Emotions.
