PRAIRIE CROSSING CHARTER SCHOOL

We believe that children are our best hope to improve the world.

Dear PCCS Community,

As a commitment to the safety of all our Parent, Student and Staff community, I want to share an update on tomorrow's Farm to Table procedures.

In the current environment, it's important for all of us to act smarter and more consciously in processes and procedures.

We will not be canceling Farm to Table on Wednesday March 11th and we look forward to enjoying a delicious, Irish inspired, meal from our talented and dedicated Farm to Table Team.

However, the standard procedure will change in the following ways:

1. For the time being, we ask that parents not supply plates and utensils for the F2T meal, instead the School will provide disposal plates, napkins and silverware to accommodate the needs of the day.
2. There will be no central washing station
3. We will have hand sanitizers available and stationed throughout the barn for use, as necessary.
4. All participants will be strongly encouraged to wash their hands before and after their meal.

While we anticipate that families may choose to opt out of participating in March's Farm to Table, here is the process for doing so:

1. Send an email to the [Business Office](#) and request to opt out of the March event.
2. In the email choose whether you would like to a). credit the student(s) account or b). receive a refund check.

We appreciate your partnership and patience as we continue to ensure that your child and our community remain healthy.

gd
