

April 18, 2020

Dear PCCS Community;

I am sure you have all heard the most recent decision from Governor Pritzker – that *Remote Learning Days* will continue through the end of the school year. As difficult as this may be to hear, and as much as we miss our Natural Leaders walking across our campus, we know that this decision is in the best interests of our safety and ultimately will help save lives. We are prepared to do whatever is necessary to help flatten this relentless curve.

We will continue to share with you our expectations for grading, attendance, e-learning and other concerns throughout the remainder of the school year. In the meantime, I offer that our Teaching Teams and Staff are available to assist you as you navigate through the day. We will also be sending communications in the upcoming weeks to schedule locker/ personal item pick up logistics and other information pertinent to this extended closure.

PCCS reminds you that we remain committed to making sure you have everything you need to achieve two singular priorities:

1. Ensure all students' nutritional needs are met.
2. Ensure all students have access to remote instruction through whatever means possible.

So as a reminder, if you need any assistance in these areas, please contact the [me](#).

I hope you all have an enjoyable Earth Week experience next week and can get outside and experience the blossoming of Spring.

We miss you.

gd
