
EXECUTIVE DIRECTOR MEMO

TO: PCCS COMMUNITY

SUBJECT: TOWN HALL LISTENING SESSIONS POSTPONED

DATE: OCTOBER 28, 2020

Dear PCCS Community

Given the recent spike in known COVID-19 cases in our County, we have postponed our *Town Hall Listening Session* originally scheduled for Nov 2nd. Our intent is to still conduct these sessions and will do so when we have more information to share. In the meantime, we would still like to hear your questions and concerns on the [Phase 4B plan](#). Please feel free to send those comments to sessions@pccharterschool.org

As was mentioned in our October 22 communications, by following [this link](#), you will be directed to the *Parent Commitment Survey*. We ask that parents/guardians who have not yet made Hybrid/Remote selections for children, please do so by Nov 6.

We do recognize that the start of Phase 4B may be postponed until conditions are favorable for in-person learning, we also understand that some things could change for your family between now and the start of hybrid learning. There will be an opportunity for you to change your selection as we get closer to beginning in person learning.

We appreciate your patience and understanding as we navigate through all the changes in metrics and data. We hope that you recognize that all of our decisions are being made with positive intent for the safe keeping of our students and staff and the well-being of our entire community.

I will send another update next Thursday, in the meantime, I hope you enjoy your weekend, ask that you mask up, wash your hands, and watch your distance.

Geoff Deigan
Executive Director
