**Discussion Items**

1. Mr. Deigan gave an update on the committee goals and frequency of meeting and discussed the feasibility and limitations of outreach opportunities during the COVID-19 pandemic.
2. Mr. Deigan presented a new initiative called the PSO Mini Grant and detailed the process and function of the grant program. The program was designed in concert with the PSO to aid the PCCS Community, in their time of need through the pandemic. Funding for the grants was generously donated by the PSO and their successful fundraising and may support up to 3 grant cycles for FY21.
3. Mr. Deigan shared the FY21 1<sup>st</sup> Quarter Enrollment number for the school with 431 in district students and 1 out of district student. This caps the enrollment at full capacity for the FY 21 school year. Mr. Deigan shared that the schools waitlist is still heavily populated at nearly every grade band with over 150 families currently on the wait list.
4. Discussion continued with the demographics of the current enrollment. Both *LatinX* and *Two or More Races* categories increased from FY20 and *Caucasian* dropped nearly 3 %. *Asian* and *African American* categories remain at the same level as the previous year.
