

Join Us for Our Virtual Lottery Open House January 21st at 7PM

Please join us for our Virtual Open House on January 21st at 7PM. We welcome prospective new families to explore with us a “day in the life” of being a PCCS student. We will hear from Teachers, Deans, Special Education Teams and more in this 30-minute presentation on [Face Book Live](#).

We encourage you to visit our [website](#) for more information including our [FAQ page](#). Realizing that we may not cover everyone’s specific questions in our FAQ’s we also ask you to contact our [Executive Assistant](#) before or after the Open House so we can assist you with the information you seek.
