

Join Us for Our Virtual Open House February 24th @ 7 PM

Please join us for our Virtual Open House on January 21, 2021 at 7PM. We will be highlighting a “*day in the life*” of being a PCCS student. We will hear from Multiple Teachers, Deans, Special Education Directors and more in this 30 minute presentation on [Face Book Live](#).

We encourage you to visit our [website](#) for more information including our [FAQ page](#). Realizing that we may not cover everyone’s specific questions in our FAQ’s we also ask you to contact our [Executive Assistant](#) before or after the Open House so we can assist you with the information you seek.
