

**APRIL 18-25**

# COMMUNITY EARTH WEEK CLEAN UP

Form a team or be a one person clean up crew and **TOGETHER** we will clean Grayslake!

- Use your own trash bags, leftover boxes or stop by the greeter station in the front vestibule of the library and grab one of our Beyond Green donated compostable bags.
- Pick a day, time and location in your neighborhood, a park, a municipal parking lot, school or local business and fill those bags.
- For a chance to win a raffle prize, go to <http://bit.ly/EarthWeekPhotos> and submit a photo with the # of bags collected.
- And above all, **SAFETY FIRST!**
