

Pokémon Club for Girls and Boys in 1st--7th Grades

Thursdays 3:45--4:45 p.m., November 4th, 11th and 18th

Get beyond the cartoon in this fun club! Pokemon is a fun and creative card game that builds strategy and problem solving skills; challenging players to use math and strategic thinking to plan moves ahead in order to win. This club will focus on learning or reviewing the rules of play, how to build a deck and how different cards work. Battles will ensue! This club is appropriate for both beginning and advanced players to hone their battle skills. This includes those who have never played Pokemon or have played but need a refresher on rules/strategies for league play or who enjoy playing against other players for practice.

Attending students should bring a 60 card Pokemon deck to club sessions (also if possible, a coin, play mat and damage counters). I will have a limited number of damage counters students may use during club time.

Teacher: Mrs. September Larson slarson@pccharterschool.org

Fee: \$30.00 per 3 week session Minimum: 15 students

My child _____ may attend Pokemon Club.

Grade/ Teacher _____

Parent contact Home# _____ Cell# _____

Email Address _____

Non-Parent contact Home # _____ Cell # _____

Child may be released to _____
