Visitors to and Conduct on School Property

Visitors to a building must report to the main office and shall comply with the District’s behavior expectations. Child sex offenders are prohibited from being present on school property unless they have prior permission and are supervised at all times. An individual may be denied admission to school events pursuant to a hearing.

The following definitions apply to this policy:

- **School property** – District and School buildings; grounds, and parking areas; vehicles used for school purposes; and any location used for a School Board meeting, school athletic event, or other school-sponsored or school-sanctioned events or activities.
- **Visitor** – Any person other than an enrolled student or District employee.

All visitors to school property are required to report to the School’s main office and receive permission to remain on school property. The district utilizes visitor management systems to enhance safety and security measures for students and staff. All visitors must show identification to be run through the visitor management system and once approved, wear a visitor’s badge. When leaving the school, visitors must return their badge. On those occasions when large groups of parents/guardians, friends, and/or community members are invited onto school property or when community members are attending Board meetings, visitors are not required to sign in but must follow school officials’ instructions. Persons on school property without permission will be directed to leave and may be subject to criminal prosecution.

Except as provided in the next paragraph, any person wishing to confer with a staff member should contact that staff member to make an appointment. Conferences with teachers are held, to the extent possible, outside school hours or during the teacher’s conference/preparation period.

Requests to access a school building, facility, and/or educational program, or to interview personnel or a student for purposes of assessing the student’s special education needs, should be made at the appropriate building. Access shall be facilitated according to guidelines from the Superintendent or designee.
