Over the years, we have found that Crayola, Elmers, Expo, and Ticonderoga items are better quality and last longer than other brands, but please buy what you can.

To help our students stay organized through the years, we recommend color-coordinating folders/notebooks:

- Take-home/misc: orange
- Math: blue
- ELA: yellow
- Science: green
- Social studies: purple
- Spanish: red

As the students advance in math, specific calculators are needed:

- 5th/6th grade - basic function
- 6th grade advanced - Scientific calculator (TI-30x) or graphing calculator (TI-84)
- 7th/8th grade - Scientific calculator (TI-30x) or graphing calculator (TI-84)
- Algebra and Geometry - Graphing calculator (TI-84)
